

George Stoica

gis@{andrew/cs}.cmu.edu | (510) 612-7168

EDUCATION

Carnegie Mellon University

Bachelor of Science in Statistics and Machine Learning

Aug 2015 - May 2019 | QPA: 3.68 (past 2 Years: 3.93)

University Honors | School of Computer Science College Honors | Dean's List with High Honors | Dean's List

CONFERENCE PAPERS

- George Stoica, Emmanouil Antonios Platanios, Barnabás Póczos, "[Re-TACRED: Addressing Shortcomings of the TACRED Dataset](#)", **AAAI 2021**.
- George Stoica*, Otilia Stretcu*, Emmanouil Antonios Platanios*, Tom Mitchell, Barnabás Póczos, "[Contextual Parameter Generation for Knowledge Graph Link Prediction](#)", **AAAI 2020**.

WORKSHOP PAPERS

- George Stoica, Emmanouil Antonios Platanios, Barnabás Póczos, "[Re-TACRED: A New Relation Extraction Dataset](#)", **NeurIPS 2020 KR2ML Workshop**.
- George Stoica, Emmanouil Antonios Platanios, Barnabás Póczos, "[Knowledge Graph Enhanced Relation Extraction](#)", **NeurIPS 2020 KR2ML Workshop**.
- George Stoica*, Otilia Stretcu*, Emmanouil Antonios Platanios*, Tom Mitchell, Barnabás Póczos, "[Contextual Parameter Generation for Knowledge Graph Link Prediction](#)", **NeurIPS 2019 GRL Workshop**.

PREPRINTS

- George Stoica, Emmanouil Antonios Platanios, Barnabás Póczos, "[Improving Relation Extraction by Leveraging Knowledge Graph Link Prediction](#)", **arXiv 2020**.

RESEARCH EXPERIENCE

Research Assistant, CMU Machine Learning Department, Pittsburgh, PA (Aug 2019 - Present): Exploring multimodal task compositions via vector-module-networks. Building end-to-end video anomaly detection and natural language explanation models. Proposed a new relation extraction dataset for future benchmarking. Enhanced relation extraction model performance through cyclical ties to link prediction. Advised by Professor Barnabás Póczos.

Honors Thesis, CMU School of Computer Science, Pittsburgh, PA (Jun 2018 - May 2019): Proposed a relation-dependent approach to knowledge graph link prediction. Method improved state-of-the-art by up to 5.1%, with training time gains of up to 28x. Advised by Professors Barnabás Póczos and Tom Mitchell, and collaborated with Dr. Anthony Platanios and PhD Candidate Otilia Stretcu.

WORK EXPERIENCE

Machine Learning Researcher, Inokyo, San Francisco, CA (May 2019 - Aug 2019): Developed and demonstrated Inokyo's first end-to-end solution to item detection, tracking, and customer association for autonomous checkout in stores. Contributions under process of provisional patents.

Data Science Intern, Palo Alto Networks (PAN), Santa Clara, CA (May 2018 - Aug 2018): Applied several classification and statistical methodologies to improve PAN's sales representative churn prediction model. Implemented sampling extensions to several frequently used classifiers in industry to increase model performance on PAN's heavily skewed class data distributions.

Engineering Intern, Conviva, Foster City, CA (May 2017 - Jul 2017): Utilized statistical methodologies and Apache Spark to analyze Conviva's large scale video streaming datasets (10s of billions of views), and designed several new production metrics aimed at improving customer insights on Conviva's products.

Data Science Intern, Upwork, Mountain View, CA (May 2016 - Jul 2016): Designed a freelancer hire prediction model using Active Learning on Upwork's large freelancer marketplace datasets. Mitigated learning on very skewed data.

TEACHING EXPERIENCE

Teaching Assistant, CMU Introduction to Machine Learning (PhD), Pittsburgh, PA (Jan 2018 - May 2018): Prepared materials and assisted teaching the graduate course 10701: Introduction to Machine Learning (PhD). The course is a general introduction to machine learning methodologies. ~ 200 total students.

ACTIVITIES

President & Co-Founder, CMU Data Science Club, Pittsburgh, PA (Nov 2016 - Nov 2017): Organized corporate talks, workshops and datathons for over 200 club members. Represented club and presided over all club meetings and university functions.

SKILLS

Python | Tensorflow | Pytorch | Apache Spark | Scikit-Learn | Numpy | Pandas | R | Scala | C

FOREIGN LANGUAGES

Romanian (fluent) | French (beginner) | German (beginner)
